MARKETING PROGRAMS

IN-STORE FIXTURES

In-store belt and wallet displays are provided by Status to customers who meet certain order criteria. Each fixture can hold approximately 84 belts and 24 wallets. Customers have the option of having the fixture branded with any brand Status offers.

B2B PORTAL

Status provides a B2B portal that is easy and convenient for their customers to use. This allows them to see real time inventory and provides the ability to place an order anytime, anywhere.

RESPONSIBLE SOURCING

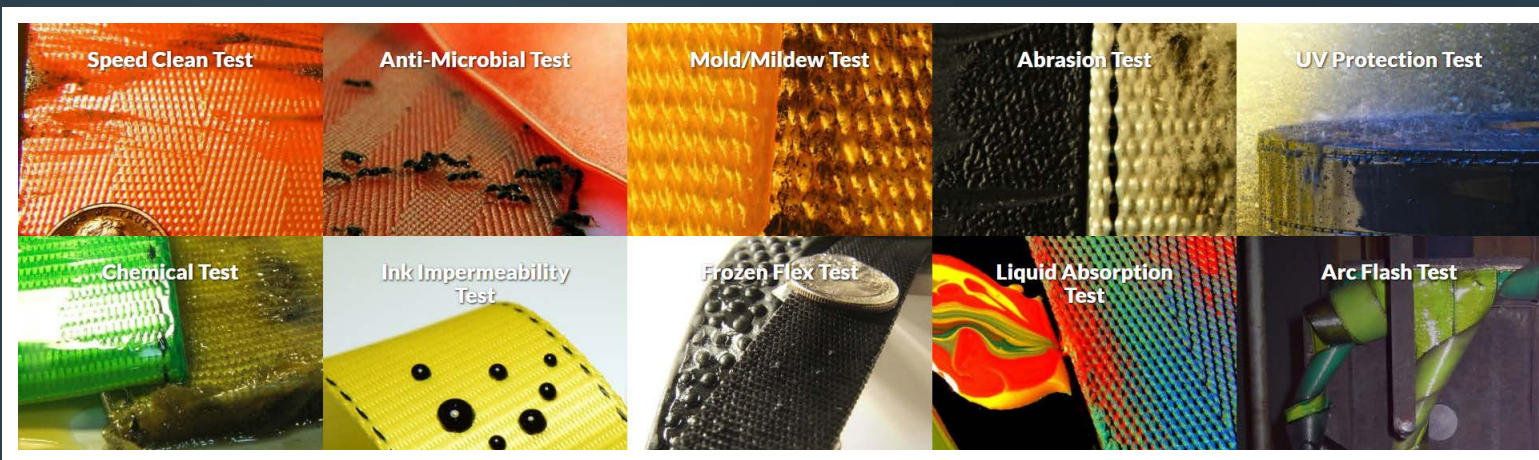

Status is committed to working only with reliable, trusted sources which produce through “responsible” practices. These established relationships have been vetted over years of seeking quality manufacturers who have proven to be ethical, reasonably priced and sustainable (within industry standards). 🌱

* Factory information & certifications are available upon request and under NDA

Status partners with suppliers which employ state of the art manufacturing technology and testing practices.
